

Do you ever wonder how the 66 books of the Bible fit together and how they apply to your life?

...If so, *The Bible Course* might be perfect for you.

In some of our home groups this autumn term, we shall be following an accessible and interactive 8-session course from the Bible Society using videos and discussion to explore the world's bestselling book.

With its unique storyline, the course captures the BIG picture, showing how the key events, books and characters all fit together. The content, which is suitable for people new to Christianity or for mature Christians wanting to increase their understanding of the Bible, includes:

- Introducing the Bible
- Exodus & Promised Land
- Exile & Prophets
- Acts & the Church
- Creation & Covenant
- Judges & Kings
- Jesus & the Gospels
- Revelation & Review

Groups meet twice a month usually in the 2nd and 4th weeks (with some flexibility around clergy holidays) so the September dates are:
Thursday 6th and Wednesday 26th with Rev'd Philippa at 8 Seabroke Road

Wednesday 12th and 26th with Rev'd Katie at Ann Arkell's house
Monday 17th with Rev'd Suzanne at the Vicarage
