“The Mystery of Everything”**

The Mystery of Everything is a new and original lent course by Hilary Brand, which takes the multi award winning film about Stephen Hawking, The Theory of Everything, as its starting point. The course explores ways in which the mysteries of the universe and of everyday life- and the acceptance that we have more questions than answers- can re invigorate our faith and spiritual Journey.

The course is based around 5 weekly group sessions entitled:

- *The experience of wonder
- *The enigma of weakness
- *The complexity of relationships
- *The encounter with frailty
- *The hope beyond brokenness

Whether you believe that the universe was created at
9am on 27th October 4004 BC

(If you believe the calculations of the seventeenth century Bishop Ussher)
or about 13.7 billion years ago according to the estimates of the Big Bang
physicists...

... why not come and join us as together we explore the mystery of
everything.
